

COMPLETED ACQUISITION BY EURO CAR PARTS LIMITED OF ASSETS OF THE ANDREW PAGE BUSINESS

Directions issued pursuant to paragraph 10 of the Initial Enforcement Order issued by the Competition and Markets Authority on 12 October 2016.

ECP Newco Limited, now Andrew Page 1917 Limited (**ECP Newco**) completed on 4 October 2016 the acquisition of certain assets of Andrew Page Limited, Solid Auto (U.K.) Limited and Colton Parts Company Limited (the **Acquisition**).

On 12 October 2016, the Competition and Markets Authority (**CMA**) served an Initial Enforcement Order (the **Order**) under section 72(2) of the Enterprise Act 2002 (the **Act**) on Euro Car Parts Limited, LKQ Euro Limited and LKQ Corporation (together **LKQ**) and on ECP Newco for the purpose of preventing pre-emptive actions pending the final determination of any reference under section 22 of the Act which might prejudice that reference, or impede the taking of any action by the CMA under Part 3 of the Act which might be justified by the CMA's decisions on the reference.

On 10 May 2017, the CMA made a reference to its chair for the constitution of a group under Schedule 4 to the Enterprise and Regulatory Reform Act 2013 in accordance with section 22 of the Act in relation to the Acquisition.

The CMA now issues written directions under paragraph 10 of the Order (the **Directions**) that, for the purpose of securing compliance with the Order, ECP Newco and LKQ must comply with the obligations set out in the Annex.
