**Industrial Workers of the World  
Union No. 790T  
Officers' Report For The Year Ended 31 December 2019**

The officers present their report and the financial statements for the year ended 31 December 2019.

**Statement of Officers' Responsibilities**

The officers are responsible for preparing the financial statements in accordance with applicable law and regulations.

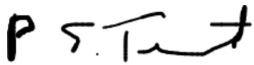

The Trade Union and Labour Relations (Consolidation) Act 1992 requires the officers to prepare financial statements for each financial year. Under that law the officers have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under trade union law the officers must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the union and of the surplus or deficit of the union for that period. In preparing the financial statements the officers are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the union will continue in to operate.
- provide members with a statement of income and expenditure for the year
- prepare an annual return for the Certification Officer giving a true and fair view of the Income and Expenditure Account and Balance Sheet

The officers are responsible for keeping adequate accounting records that are sufficient to show and explain the union's transactions and disclose with reasonable accuracy at any time the financial position of the union and enable them to ensure that the financial statements give a true and fair view. They are also responsible for safeguarding the assets of the union and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Statement as to disclosure of information to the auditors**

So far as the Officers are aware there is no relevant audit information of which the Union's auditors are unaware, and each officer has taken all the steps that they ought to have taken as an officer in order to make themselves aware of any relevant audit information and to establish that the Union's auditors are aware of that information.

**Industrial Workers of the World  
Auditor's Report to the members  
For The Year Ended 31 December 2019**

## **Opinion**

We have audited the financial statements of Industrial Workers of the World "(the Union)" for the year ended 31 December 2019 which comprise the income and expenditure account, the balance sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the Union's affairs as at 31 December 2019 and of its results for the year then ended; and
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Trade Union and Labour Relations (Consolidation) Act 1992.

## **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Union in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the Officers' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Union's ability to continue as a going concern for a period of at least 12 months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Officers with respect to going concern are described in the relevant sections of this report.

**Industrial Workers of the World  
Auditor's Report to the members  
For The Year Ended 31 December 2019 (continued)**

**Other information**

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The Officers are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the Union and its environment obtained in the course of the audit, we have not identified material misstatements in the financial report. We have nothing to report in respect of the following matters to which the Trade Union and Labour Relations (Consolidation) Act 1992 and the Trade Union Reform and Employment Rights Act 1993 require us to report to you if, in our opinion:

- adequate accounting records have not been kept by the Union, or returns adequate for our audit have not been received from branches not visited by us; or
- the Union has not maintained a satisfactory system of controls over transactions; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not obtained all the information and explanations necessary for the purposes of our audit.

**Respective responsibilities of the Executive Council**

As explained more fully in the Statement of the Officers' Responsibilities, the Officers are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Officers determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Officers are responsible for assessing the Union's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Union or to cease operations, or have no realistic alternative but to do so.

**Industrial Workers of the World  
Auditor's Report to the members  
For The Year Ended 31 December 2019 (continued)**

**Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities is available on the Financial Reporting Councils website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

**Use of our report**

This report is made solely to Industrial Workers of the World's members, as a body, in accordance with the provisions of the Trade Union And Labour Relations (Consolidation) Act 1992. Our audit work has been undertaken so that we might state to the Union's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Union's members as a body, for our audit work, for this report, or for the opinions we have formed.
