Regulations 11 – 13 of the Contracts for Difference (Allocation) Regulations 2014 (as amended)

11 Budget notices

- (1) The Secretary of State must by notice (“a budget notice”) specify—
 - (a) the overall budget which is available for each delivery year applicable to an allocation round; and
 - (b) the administrative strike prices applicable to applications in an allocation round.
- (2) The Secretary of State may in a budget notice specify any of the following—
 - (a) budgets which are reserved for the descriptions of applications specified in the notice (“minima”);
 - (b) maximum budgets which apply to the descriptions of applications specified in the notice (“maxima”);
 - (c) a division of the overall budget such that a different part (“pot”) of the overall budget applies to the description of applications specified in the notice.
- (3) Where maxima or minima are specified, they may be expressed as—
 - (a) a sum of money;
 - (b) an amount of capacity of electricity generation; or
 - (c) a combination of (a) and (b).
- (4) Where—
 - (a) the overall budget is expressed as a sum of money; and
 - (b) that sum is stated by reference to a price which is not current at the date of the budget notice,

the budget notice must include a factor which, when applied to that sum, converts that sum into a price which is current at that date.
- (4A) Where any budget referred to in paragraph (1)(a) or (2) (that is to say, the overall budget, a minimum, a maximum or a pot) is expressed as an amount of capacity of electricity generation, the Secretary of State may specify in the budget notice that a “soft constraint” applies to that amount; and in such a case, the amount of capacity of electricity generation may be exceeded, but only in accordance with the provisions of the allocation framework that applies to that allocation round.
- (5) A budget notice must—
 - (a) be given to the delivery body;
 - (b) identify the allocation round to which the budget notice applies; and
 - (c) be given no later than 10 working days before the commencement date of the allocation round.

12 Budget revision

- (1) This regulation applies where the Secretary of State has given a budget notice in respect of an allocation round.
- (2) Subject to the application of paragraph (5), the Secretary of State—

- (a) may amend, add to, or remove any of the matters listed in regulation 11(1)(a) or (2) for the allocation round (in either case “a budget revision”); but
 - (b) must only affect a budget revision by a notice (“a budget revision notice”) which complies with regulation 13.
- (3) The Secretary of State may make any budget revision where that revision has effect more than 10 working days before the commencement date of the allocation round.
- (4) Paragraph (5) applies where the Secretary of State intends to make a budget revision which is to have effect—
 - (a) 10 or fewer working days before the commencement date of the allocation round; or
 - (b) on or after the commencement date of the allocation round.
- (5) Where this paragraph applies, the Secretary of State may increase the overall budget but must not—
 - (a) decrease—
 - (i) the overall budget;
 - (ii) any maxima; or
 - (iii) any minima; or
 - (b) increase any maxima or minima, unless the overall budget is increased by at least the same amount; or
 - (c) remove the application of a soft constraint to a budget (see regulation 11(4A)).

13 Budget revision notices

A budget revision notice must—

- (a) be given to the delivery body;
- (b) identify the allocation round to which the budget revision notice applies;
