8.—The Company may, from time to time, borrow and take up on mortgage or by way of debentures, at interest, any sums not exceeding in the whole eleven thousand six hundred pounds; but no moneys shall be so borrowed until the whole of the capital of thirty-five thousand pounds is subscribed for, and one half thereof is paid up, and the Company satisfy the justice who certifies under section forty of "The Companies Clauses Consolidation Act, 1845," before he so certifies, that the whole of the capital has been issued and accepted, and that one half thereof has been paid up, and that not less than one-fifth part of the amount of each separate share has been paid on account thereof before or at the time of the issue or acceptance thereof, and that the capital was issued bonâ fide, and is held by registered holders thereof legally liable for so much thereof as is not paid up (of which satisfaction the certificate shall be conclusive evidence).

9.—The mortgagees or debenture holders of the Company may enforce the payment of the arrears of interest, or of principal and interest, due on their respective mortgages by the appointment of a receiver, and the amount to authorise a requisition for a receiver is one thousand pounds.

10.—The Company shall not, out of any money raised by calls or borrowing, pay interest or dividend to any shareholder on the amount called up in respect of shares held by him; but this provision shall not prevent the Company paying to any shareholder interest on any money advanced by him beyond the amount of calls actually made in conformity with "The Companies Clauses Consolidation Act, 1845."

21.—Subject to the provisions of this Order, and subject also to such alterations (if any) in the deposited plans as the Board of Trade require from time to time before the completion of the works, in order to prevent injury to navigation, the Company may, on the lands taken by them under this Order, in the lines and according to the levels shown on the deposited plans and sections (so far as the same are shown thereon), and within the limits of deviation shown on those plans, make and maintain the pier, sea wall, embankment, esplanade, and works authorised by this Order.

Power to make works.

22.—The works authorised by this Order comprise the following:

Description of works authorised.

2. A sea wall or embankment and esplanade, with all necessary works in connexion therewith, extending from the commencement of the pier eastward, along the shore between high and low water mark, for a distance of about 640 yards.

23.—The Company may, for the use of the pier and works connected therewith, demand and take in respect of the vessels, persons, and goods in the Schedule to this Order specified, any sums not exceeding the rates in that Schedule specified.

Lease of refreshment rooms and tolls, &c.

25.—Fishing vessels belonging to countries with which for the time being treaties exist exempting from duties and port charges such vessels when forced by stress of weather to seek shelter in the ports or on the coast of the United Kingdom shall, when forced by stress of weather to make use of the pier authorized by this Order, and not breaking bulk while making use thereof, be exempt from rates leviable under this Order.

Certain fishing vessels under stress of weather exempt from rates.

Ventnor.
Pass tickets for
use of pier.

26.—The Company may grant to passengers, promenaders, and other persons, pass tickets for the use of the pier and works, at such rates, on such terms, and for such periods, not exceeding one year, as may be agreed upon, but so that no preference be given to any person. A pass ticket shall not be transferable, and shall not be used by any person other than the person to or for whom it is granted, or by any person after the period limited for its use. If any person acts in any way in contravention of this provision, or uses or attempts to use any false or counterfeit pass ticket, he shall for every such offence be liable to a penalty not exceeding twenty shillings, recoverable and applicable as penalties are recoverable and applicable under "The Harbours, Docks, and Piers Clauses Act, 1847," for all the purposes of which Act this Order shall be deemed the Special Act.

28.—The Company may provide and use such steam engines, steam vessels, piling engines, diving bells, ballast lighters, rubbish lighters, barges, boats, cranes, buoys, mooring posts, mooring craft, weighing machines, tackle, and other machinery, vessels, apparatus, and conveniences as they think proper, for carrying on the business of the Company, or for any of the purposes of this Order, and may demand and take such sums for the use thereof as they think reasonable.

Meters and
weighers.

29.—The Company shall have the appointment of meters and weighers on or in connexion with the pier.

Light to be
exhibited.

30.—The Company shall, at the outer extremity of the pier and works authorised by this Order, exhibit from sunset to sunrise such light (if any) as shall from time to time be directed by the Corporation of Trinity House Deptford Strond.

Restriction on
use of pier.

31.—Nothing in this Order shall entitle any person with any vessel or boat to ship or unship at the pier authorised by this Order any sheep, cattle, or merchandise, or to ship or unship there anything which, in the judgment of the Company, might in any manner interfere with the use of the pier for recreation, or for the embarking or landing of passengers.

32.—Sections sixteen to nineteen inclusive of "The Harbours, Docks, and Piers Clauses Act, 1847," shall not be incorporated with this Order.

33.—Part IV. of the Companies Act, 1862, as to the winding up of companies and associations under that Act, shall be incorporated with this Order, and shall apply to the Company in like manner as if it had been a Company registered under that Act, with the liability of its members limited to the amount (if any) unpaid on the shares respectively held by them.

A certificate from the Board of Trade to the effect that the works have not been substantially commenced, or that they have been virtually suspended for twelve consecutive calendar months, shall, for the purposes of this Order, be conclusive evidence of the fact stated in such certificate.

35.—This Order shall not be taken as a consent to the surrender of any rights, interests, powers, authorities, or privileges transferred to the management of the Board of Trade by “The Crown Lands Act, 1866,” nor shall any works under this Order be commenced within limits affected by any such rights, interests, powers, authorities, or privileges, without the assent of the Board of Trade having been first obtained.
